

The Burton Boat Builder

Committed to promoting all aspects of model boating

www.burtonmodelboatclub.org.uk

In this festive edition, I would just like to say Merry Christmas to everyone and a Happy New Year, if you don't believe me then Bah Humbug! For those who were unable to get to the AGM this year due to the snow I can tell you that a full and varied calendar is already coming together for 2011, so please make some time and come and join us at one of the events, even if your model is not ready to go on the water yet we would be pleased to see you. We will also be looking to attend some new events this year so if you would like to attend please get in touch with Joe, the first event in 2011 will be the Ellemers port show in March and we already have a stand booked.

Don't forget to bring your winter project (and problems) along to Builders night at the March monthly meeting.

It's a third at the international model boat show 2010

Our efforts paid off this year with a third place at the international model boat show held at Leamington. Amid tough competition from national associations all the hard work that went into planning and organising this year's stand paid off well. As a club we were complemented on the look of our stand and the quality of the models and information on show.

The show itself was very busy this year and working on the stand certainly made time fly. There was a lot of interest in the exhibits and the questions came thick and fast. Thank you to all members who gave up some of their valuable time to build and man the stand.

Pete Gregory demonstrated the working transom on his latest lifeboat model

It was also reported that Branston man put in an appearance at the show. Elusive and shy as ever, he was spotted in the cafeteria every couple of hours.

Builders night 2011 - March 2nd

Bring your latest project along for other members to see, or if you have got stuck on a problem get some help from those who may have been there already, remember there is a wealth of knowledge and experience in the club.

Christmas meal 2010

The Christmas meal was attended by Fourteen revellers, who enjoyed a wonderful 3 course meal with alcohol flowing for the non drivers.

The food was excellent as always at the Lakeside in Moira.

There were party poppers and crackers along with the usual jokes that crackers provide.

After the Chairmans speech the ladies were presented with a small chocolate surprise to enjoy at their leisure. The men felt very left out so there were some chocolate penguins for them.
